AUGUST 2023

100% DA NEUTRALISATION TO PRE-NOVEMBER 2002 RETIREES

At the outset we congratulate all the stakeholders involved in clinching the issue of 100% DA neutralisation for pre-Nov-2002 Bank retirees which was pending for more than 2 decades. First, let me thank the UFBU leaders, for clinching this issue to the pleasant surprise of all the retirees and signing the MOU on 28 th July 2023. Our Apex body AIBPARC has been vigorously pursuing this issue with the IBA, Finance Minister despite losing the case in the Supreme Court. Let me congratulate the leadership of AIBPARC Sri K V Acharya, the President, Sri. Suprita Sarkar, the General Secretary and not to forget our own Sri K B Ballur, former Working President of AIBPARC who relentlessly pursued the issue with all sincerity and devotion. The role of CBROA and its former leaders need not be overemphasised. CBROA was instrumental in forming AIBPARC way back in 2012.

The resolution of this demand is the result of saga of struggle over the decade with full determination and conviction by AIBPARC and CBPRO. Last but not the least, we profusely thank the honourable Finance Minister Smt. Nirmla Seetharaman, officials of DFS, GOI, IBA for successful resolution of this two decades old issue which has been a heart burning and

emotional issue for pre-November 2002 retirees, who are all now super senior citizens of the Banking Industry.

At this moment of glory for retirees in general and pre-2002 retirees in particular,

everyone tries to take credit, however, we need to give credit to all the stakeholders, because without the collective efforts of all the stake holders, this issue wouldn't have been resolved.

We understand that over 70000 pensioners/family pensioners in the Banking Industry will be benefitted with this resolution.

J S Jagadeesh
General Secretary CBROA

Details of Pensioners/Family Pensioners retired prior to 1.11.2002 benefitted by 100% DA Neutralisation in Canara Bank.

01.11.1992 to 31.03.1998	493		1651

	15011		8184	

Further, the monthly increase in pension on account of 100% DA neutralisation under all scales basing on DA rates for the month of August. 2023 is given below.

One more bitter lesson we need to learn from the settlement of this issue is that legal remedy is not the solution for getting our rightful benefits. Despite losing this case in courts, when all our hopes were dashed, this issue was clinched by the trade unions by time test-

ed negotiation! Hence, we need to learn from our past mis-steps and bring pressure on IBA and Govt for meaning resolution of our other demands viz., pension updation, affordable group Medclaim policy and inclusion of special allowance for calculation of superannuation benefits.

With warm greetings,

J S Jagadeesh
General Secretary

SET TO CROSS THE MILESTONE

Attaining 75 years of age is a milestone in the life of a retiree. Though statistically, longevity of life has increased, we are coming across several instances where many souls depart from us even before reaching the above milestone. Under such circumstances, it is really a cause for greeting the

retirees who reached the milestone and entuse them to tread along. With this objective and in response to desires of several members that CBROA News feature a list of members who crossed 75 years age during JULY, 2023.

"And, if you fall behind on payments, it drives itself back to the dealership."

CBROA Welfare Scheme

CBROA has been assisting members though in small measure, as an expression of solidarity with the beleaguered members at the hour of their grief/crisis. The entire scheme is borne mostly out of generous Donations from the members. While the CBROA thanks the donors for and on behalf of all the beneficiaries, it seeks generous and regular donations in this endeavour to stand by the members at their time of need. CBROA appeals to members for regular donations on the occasion of birthday celebration of their dear ones, say – Self, Spouse, Children, and Grandchildren and derive satisfaction of donating for a cause
