JULY 2024

FROM THE DESK OF GENERAL SECRETARY

Dear Friends,

1. PENSION OPTION TO RESIGNEES

You are all aware that one of the long pending demands of the retirees that the resignees have to be given an option for pension has been achieved and now our Bank has come out with a circular regarding the same. The salient features of the same are as under:

- Employees and Officers who were in service of the Bank on or after 01.01.1986 and had joined the Bank before 01.04.2010 and who have resigned from the service of the bank on or before 26.04.2010 and who were otherwise eligible (those who have completed 20 years of

qualifying service) to join the pension scheme while in service. ■ Who agree to refund to the Bank the entire Bank's contribution to Provident Fund (along with accumulated interest thereon) received by them at the time of their resignation or later from the Bank

- Subject to giving undertaking as per an-1 (withdrawal of court cases, if any)
- No commutation
- Last date for applying - 9th September 2024

At least one of the below mentioned documents has to be mandatorily attached with the application and other

Relieving Letter / Account statement showing settlement of PF contribution / At least one pay slip not more than 10 months old from the date of resignation / Staff ID Card Copy

I request all the eligible officers to avail this golden opportunity. We are glad to give/extend any clarification/assistance regarding the option.

2. REDUCING THE PERIOD OF RECOVERY OF COMMUTATION AMOUNT:

Presently, commuted pension of Central Government employees as well as Bank employees will be restored after a period of 15 years. However, there has been a growing demand for restoration of the commuted pension after 12 years instead of 15 years by various retirees organisations including Bank retirees. Recently, the Punjab and Haryana High court has given a stay for recovery of the commutation amount in respect of the petitioners who have completed 10 years of retirement. The said order is applicable only in the case of petitioners who have filed writ petition in the High Court (Chander Mohan Tandon and others vs Union of India and another). Taking a cue from the stay, couple of retirees organisations have addressed a letter to their Banks for stopping the recovery in respect of all other pensioners.

In this connection, we feel that no purpose would be served by simply addressing a letter to the MD & CEO in the matter. The matter is already in

courts. Let us wait for the outcome of the case. Further, members need to appreciate that Central Govt has to take call in reducing the period of recovery of commutation amount from 15 years to 12 years and then our unions should take up with IBA and the Govt. for applying the same yardstick for Bank pensioners. OR alternatively a court judgement should come in the favour of reducing the period. Already, we have escalated the matter to our apex organisation AIBPARC and they are contemplating to approach the courts in the matter. Further, the Punjab and Haryana court has given a stay for recovery of the commutation amount only in the case of petitioners who are from Union Bank of India. We need to understand that pension regulations are common to all the Banks. Hence any favourable judgement in the case would be equally applicable to all the Bank pensioners. Anyway, we will be constantly watching the situation and jump into action if it is absolutely necessary.

3. Group Medical Insurance

Scheme for Bank Retirees: Your CBROA has been demanding, inter alia, a combined and composite medical insurance policy for retirees as well as serving employees since a long time. In fact, last year, in our [September 2023 News letter](#), we have proposed/demanded the following and the same is reiterated below:

1. There should be a composite/combined group medical insurance policy for both serving as well as retired employees/officers.
2. The sum assured of Rs. 4 lakhs fixed under Group Medical Insurance for officer Retirees was 8 years back. Since then, the cost of hospitalisation and charges for medicines and various medical procedures have gone up substantially. Hence there is an urgent need to increase the base amount to Minimum Rs.10 lakhs as done by LIC, general insurance companies and SBI.
3. There need to be a reasonable cap on bed charges/ ICU charges and only critical illness like cancer, kidney, liver transplants etc. need to have a cap in order to keep the premium at reasonable levels.
4. GST on the premium paid by the retirees is a huge burden. We request the IBA/ UFBU/Retirees organisations to make an appeal to the finance minister for waiver of GST on Medical/Health Insurance policies of senior citizens. It would go a long way in helping the distressed geriatric

population in India. This would be an enormously helpful gesture to the senior citizens of India.

5. Individual banks should subsidise the premium paid by their retired employees/officers. This demand is reasonable considering that 100% medical expenses incurred by the whole time directors of the Bank and their dependents are absorbed by the Bank during their lifetime.

Now, we understand that IBA has agreed to go for a combined medical insurance policy for both serving as well as retired employees/officers. It is a big step forward in the direction of an affordable medical insurance policy for retirees. However, our fingers are crossed! We hope the combined policy would result in substantial reduction in premium paid by the retirees. However, it is important to consider our other proposals too in order to have a reasonable and an affordable medical insurance policy for retirees. We urge upon all the stake holders to seriously consider our proposals in the interest of retirees.

OTHERSIDE IS GREEN

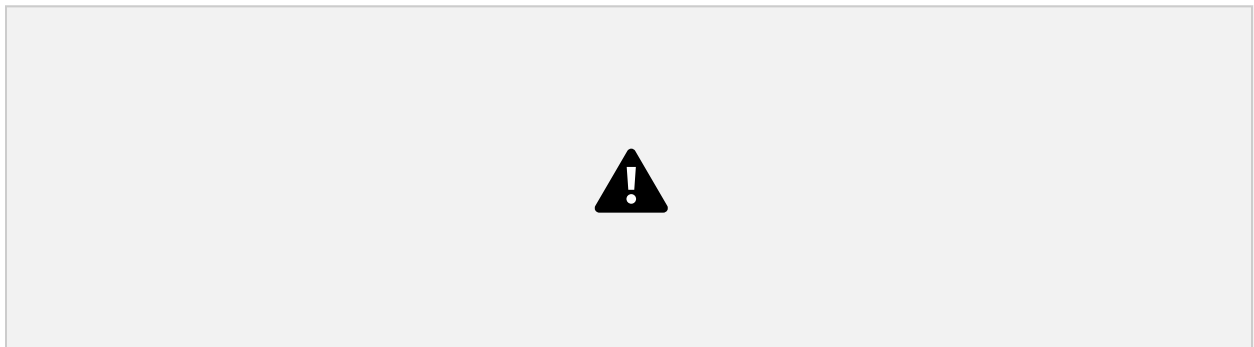

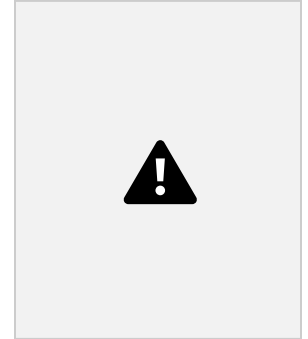

Those who are still in service feel,
Retired persons are sans tensions,
Enjoying their time loitering,
And chatting with friends of their age.

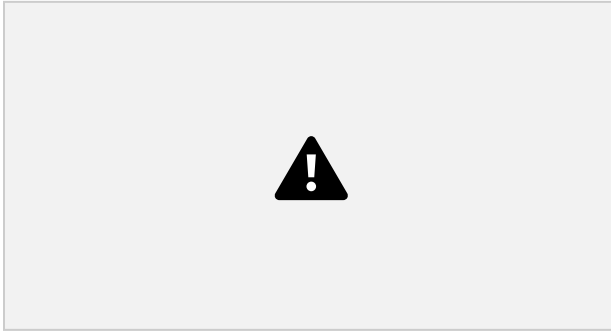

Yet to be married youngsters guess,
On married youth while crossing ways,
These share and care, love each other,
Enjoying marital life theirs.

The other side is always green,
While keep seeing it from afar.
One has to get into others' shoes,
To understand their real truth.

Regret for those still unmarried,
And those leave world ere retirement.
For each phase, there will be a time,
Lucky are those could savor them.

All retired have their own problems,
If nothing they have health issues.
All married have their own burdens,
Their wants are more and are endless.

SET TO CROSS MILE STONE

Attaining 75 years of age is a milestone in the life of a retiree. Though statistically, longevity of life has increased, we are coming across several instances where many souls depart from us even before reaching the above milestone. Under such circumstances, it is really a cause for

greeting the retirees who are set to reach the milestone and enthuse them to tread along. With this objective and in response to desires of several members that CBROA News features a list of members who are crossing 75 years age during JULY 2024.

CBROA WELFARE SCHEMES

CBROA has been assisting members though in small measure, as an expression of solidarity with the beleaguered members at the hour of their grief/crisis. The entire scheme is borne mostly out of generous Donations from the members. While the CBROA thanks the donors for and on behalf of all the beneficiaries, it seeks generous and regular donations in this endeavour to stand by the members at their time of need. CBROA appeals to members for regular donations on the occasion of birthday celebration of their dear ones, say – Self, Spouse, Children, and Grandchildren and derive satisfaction of donating for a cause.

Medical Relief paid during the month of JUNE 2024.
