CBROA NEWS LETTER – AUGUST 2024

HEARTY GREETINGS ON 78TH INDEPENDENCE DAY

AUGUST 2024

FROM THE DESK OF GENERAL SECRETARY

Dear Members,

We are on the threshold of the 78th Independence Day of our nation and we stand united in remembrance and gratitude. This day marks the triumph of courage over oppression, unity over division and freedom over tyranny.

Seventy Eight years ago our forefathers stood together, undeterred by challenges and dreamt of a nation where every citizen would breathe the air of freedom. Through their sacrifices and determination, they gifted us this sovereign land we proudly call India that is Bharath.

Independence day is not just commemoration, it is a reminder of our responsibility- to

uphold the values of democracy, secularism and unity in diversity. It is a celebration of our cultural tapestry where every thread adds to the richness of our identity.

This is an occasion to honour the heroes who paved the way and pledged to safeguard the principles they fought for. It is an occasion to embrace progress with compassion, justice with empathy and freedom with responsibility. It is an occasion to honour every soldier who defended our borders, every leader who led us with a vision and every citizen who contributed to our nation's progress.

Yet our journey towards true independence continues. We must strive for a society where every individual enjoys equality, jus-

tice and dignity. This year's theme, "VIKASIT BHARATH" or " DEVELOPED INDIA" embodies the vision of transforming India into a developed nation by 2047, marking the Centenary of our independence.

In facing today's challenges let us draw strength from the unity that marked our struggle for independence. Our diversity is our greatest asset and by embracing it we can overcome any hurdles that come our way. The celebration symbolises our collective aspirations and commitment to a brighter future.

The country has undertaken various reforms to address it's challenges and leverage its opportunities. India has the potential to emerge as the global leader in the 21st Century if it can overcome its challenges.

The Indian economy is one of the fastest growing economies in the world. It has become the fifth largest economy and is likely to become the third largest economy by 2030. However, it faces a number of challenges that need to be addressed in order for it to continue to grow. Population density, poverty, unemployment, poor education, inadequate infrastructure, corruption, high levels of inflation, an unstable rupee and a large current account deficit , income inequalities, agricultural distress and environmental sustainability are the challenges to be encountered by us. Even as India strengthens its economic position, the advantages of this progress are not reaching everyone in the society. Our endeavour is to usher in an

egalitarian society, where the benefits of development are enjoyed by all countrymen.

CBROA wishes all the members and their families a day filled with laughter, love and cherished moments as we celebrate freedom. May the spirit of patriotism and love for our country lead all of us towards a brighter future.

HAPPY 78TH INDEPENDENCE DAY. MAY THE TRICOLOUR FLY HIGH AND OUR NATION CONTINUE TO PROSPER

DEVASTATING LANDSLIDES IN WAYANAD DISTRICT OF KERALA.

On 30th July 2024, heavy rainfall triggered landslides in the Wayanad district of Kerala. The confirmed loss of lives has reached 392 people with further 150 people reported to be missing, in addition there were at least 273 injuries. According to environmental Scientists, human intervention including deforestation, unplanned construction activities and climate vagaries caused the devastating landslides causing destruction of human habitat and lives, flora and fauna. The major factors for this tragedy are unbridled quarrying, razing hills for constructions, massive scale road construction and expansion in the mountains and mono-crop cultivation, increasing tourism activities in the ecologically vulnerable areas. Incessant rains of high magnitude induced by climate change also caused the devastation. These grave human errors exacerbated the impact of the landslides.

The famous environmental scientist Madhav Gadgil , who was Chairman of the Western Ghats Ecology Expert Panel, has termed the disaster a man-made tragedy attributing it to Kerala Government's failure to implement crucial ecological recommendations. The Expert Panel has specifically warned against anti-environmental activities in the region. But the recommendations fell on deaf ears.

CBROA's heartfelt and deepest condolences go out to the bereaved families who have lost their loved ones. Our sympathies and prayers are with those who are injured grievously and those who have survived.

INCREASE IN STAFF WELFARE EXPENSES OF PUBLIC SECTOR BANKS

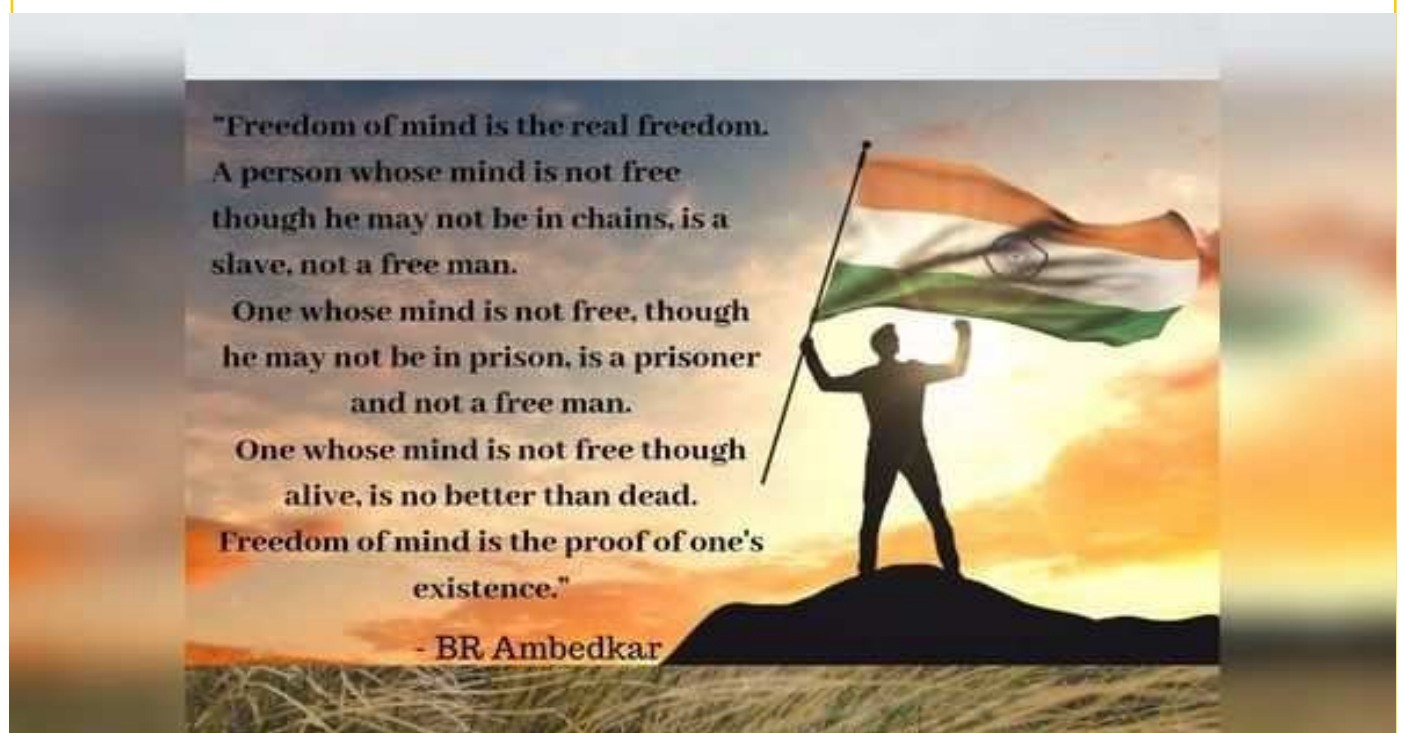

At last, one more good news for serving as well as retired employees/officers. DFS has increased the limits of staff welfare funds of public sector Banks basing on business as

well as number of employees criteria. Limits were last fixed 12 years back in 2012. Thanks to the efforts of our parent organisation CBOA who have been taking up this issue in various forums and also our Bank writing umpteen number of letters/reminders to IBA /DFS to increase the limits. It has been a long pending demand of all the employees/retirees and even after amalgamation of Banks in 2020, the old limits were not revised. Now, due to consistent pressure from various retirees organisations as well as trade unions, the limits were revised substantially by DFS. Earlier, we were enjoying a limit of Rs.45 crores (combined limits of Canara Bank and e-syndicate bank) in our Bank, now the same is enhanced to Rs 90 crores. In the previous financial year, thanks to CBOA and benevolent management of our Bank, Retirees could get a major share of the welfare fund. We hope and believe that the same trend continues in future too.

BIASED

*Any foolish act by a wealthy person,
To criticise, the critics shall hesitate.
While a good deed is done, by a downtrodden
Though noticed, they avoid to appreciate.*

*Number of times a rich woman can marry,
Critics join the party to make her merry.
If a poor widow marry a second time,
The same lambast and freely throw comments weird.*

*While poor people come covered with shabby dress,
So called civilised look at them with contempt,
If a celebrity show up in torned dress,
The highly placed shall admire their fashion sense.*

INTROSPECTION

*Am I good or am I bad? within me an introspection.
For some I am good, for some am bad. Based on their perception.*

*Sinners are bad says wise, to be good never or sin no more.
Need be sincere, faithful and humble, that are found very rare.*

*Lying and eying for what belong to others are sins,
Taking the life of any is the greatest of all sins.*

*But soldiers killing enemies, to save country is not sin.
Lions hunting deers to consume is also never a sin.*

*To any extreme, hunger lead. Morality takes back seat.
Survival instinct is foremost, right or wrong is subsequent.*

*If so, then I must know, what exactly is considered sin!
Though it appear to be simple, it is too hard to define.*

SET TO CROSS MILE STONE

greeting the retirees who are set to reach the milestone and entuse them to tread along. With this objective and in response to desires of several members that CBROA News features a list of members who are crossing 75 years age during **AUGUST 2024**

"Long years ago we made a tryst with destiny, and now the time comes when we shall redeem our pledge, not wholly or in full measure, but very substantially. At the stroke of the midnight hour, when the world sleeps, India will awake to life and freedom. A moment comes, which comes but rarely in history, when we step out from the old to new, when an age ends, and when the soul of a nation, long suppressed, finds utterance..."

...The ambition of the greatest man of our generation has been to wipe every tear from every eye. That may be beyond us, but so long as there are tears and suffering, so long our work will not be over. And so we have to labour and to work, and work hard, to give reality to our dreams. Those dreams are for India, but they are also for the world."

An excerpt from Jawaharlal Nehru's Tryst of Destiny speech, August 15, 1947

Where The Mind Is Without Fear Poem by Rabindranath Tagore

Where The Mind Is Without Fear

*Where the mind is without fear and the head is held high
Where knowledge is free
Where the world has not been broken up into fragments
By narrow domestic walls
Where words come out from the depth of truth
Where tireless striving stretches its arms towards perfection
Where the clear stream of reason has not lost its way
Into the dreary desert sand of dead habit
Where the mind is led forward by thee
Into ever-widening thought and action
Into that heaven of freedom, my Father, let my country awake*

Rabindranath Tagore

CBROA WELFARE MEASURES

CBROA has been assisting members though in small measure, as an expression of solidarity with the beleaguered members at the hour of their grief/crisis. The entire scheme is borne mostly out of generous Donations from the members. While the CBROA thanks the donors for and on behalf of all the beneficiaries, it seeks generous and regular donations in this endeavour to stand by the members at their time of need. CBROA appeals to members for regular donations on the occasion of birthday celebration of their dear ones, say – Self, Spouse, Children, and Grandchildren and derive satisfaction of donating for a cause.

Medical Relief paid during the month of JULY 2024.

Dear friends,

Many members are voluntarily opting out of CBROA welfare scheme (Medical reimbursement scheme) and sending mails, WhatsApp messages. We are finding it difficult to consolidate. Hence, we have devised a google form to enable us to consolidate it. Please use the below mentioned link, in case if you wish to opt out of the welfare scheme.
